

## CPA Review Company Launches Website Filled with Study Resources

June 26, 2009

### **Roger CPA Review announces the launch of its improved website.**

**San Francisco, CA** (*PRnine – June 26, 2009*) - In their ongoing efforts to unite current technology with [CPA Exam](#) education, the innovators at Roger CPA Review have completely redesigned their website. The reboot of their online presence brings a variety of new features to existing students while simultaneously anticipating the needs of tomorrow's CPA Exam candidate. Going far beyond a simple aesthetic clean up, the ambitious web team has created a site that easily provides a portal for all things [CPA review](#).

Visitors to the new CPA Exam review website will discover:

- Streamlined Navigation
- Step by step guides through the entire process of becoming a CPA.
- Free CPA Exam Resources
- Live Customer Support
- CPA Exam review course comparisons
- Free CPA Exam class demos
- Clear pricing structures and discount options
- Secure, easy enrollment

By focusing on the needs of their students, Roger CPA Review has created a website that sets them clearly at the top of the CPA Exam review industry. Its easy navigation, clear guidance, and constantly available support, along with the fresh new look, are examples of the company's continued commitment to deliver the best product possible. Visit their site today and see what the buzz is about!
