

Online Course Policies & Procedures

A \$50 Administration Fee applies to all enrollments.

Enrolling for Online CPA Review Courses

Students can purchase the online course on the website. The student chooses which part(s) they will sign up for, and makes an A. Deposit. or B. Full payment. If choosing option A, the student is locking in the current price forever. When the student is ready to begin their course, they would [Contact The Office](#) to complete the order. If choosing option B, the student must first complete the registration process, the books will be mailed and the student will receive an e-mail confirmation containing a username, password, and instructions to access the streaming video website. Students can choose to begin watching the courses immediately, or wait until their course materials arrive.

Course Duration

Students enrolling in 1, 2 or 3 sections will receive 9 months to view each 1 hour segment as many times as they need. You are allowed UNLIMITED viewings of each 1-hour classroom segment, but if you need to view them more than three times, simply contact the office at staff@rogercpareview.com and we will reset them for you as many times as you need.

Students enrolling in all 4 parts receive the same initial 9 months of unlimited access. Upon the expiration of this initial 9 months, the student has 4 months to decide if they wish to repeat any sections. Repeats are assessed a \$50 administration fee per part (see unconditional repeat policy below). Upon completion of this purchase, the student will then have another 9 months of unlimited access to all parts purchased. Students may add repeats at any time during the second 9 month access period; however the expiration of all purchases will remain 9 months from the date of the first repeat purchase.

Unconditional Repeat

All students who enroll in all four parts (Full Course) are entitled to an Unconditional Repeat. When you register for 4 parts concurrently, you will have 9 months **from the time you enroll** to view each lecture. You have 4 months **from the date your course expires** to register for your repeat. Repeats have additional 9 months of viewing time. That gives you a total of 18 months of viewing time. Unconditional Repeats are non-transferable, and do not include new course materials. Students may add repeats at any time during the second 9 month access period; however the expiration of all purchases will remain 9 months from the date of the first repeat purchase. **A \$50 per part administration fee will apply to register in the repeat session. Purchase of new materials is not required.**

Refund Policies and Procedures

No more than one class per part purchased can be viewed to qualify for a refund. You must also notify Roger CPA Review in writing either by [e-mail](#) or postal mail about your decision to cancel.
